

TWO-YEAR-OLD NEWSLETTER

MARCH 2026

Dear Parents,

Happy spring everyone! We are heading into March with some BEAUTIFUL weather! We are asking all parents to help us out by checking your boxes and making sure they have appropriate clothing for the weather (shorts and T-shirts, maybe a long sleeve and pants for the cooler days, and a light jacket for the mornings or afternoon when its chilly). Thank you for your help!

We will be celebrating St. Patrick's Day. We will be wearing GREEN on Tuesday March 17! We will also spend the week talking about green AND having some green snacks, as well as sensory bin activities.

We will be continuing to work on our manners, shapes, and colors this month! Our classroom curriculum is always posted on the back of the door along with any other important information. If you would like to see what we are learning, feel free to ask any questions!

March will officially be the last month Ms. Haylie will be with us until she comes back from maternity leave. She looks forward to coming in each day and teaching your children and helping them learn and complete their milestones. Ms. Haylie will let us know when she goes in to have her sweet baby girl. When Ms. Haylie is gone Ms.Carysn and Ms. Jewel will be the 2's teachers! There contact information is posted on the back of the door!

Reminders:

- We need extra (Kleenex, wipes, and batteries
- Snack money- \$2.00 a month and \$2 for the Party
- Bring a spare jacket for outside time please!

Thanks,

Mrs. Haylie

Mrs. Carsyn

Mrs. Jewel
