

TWO-YEAR-OLD NEWSLETTER

AUGUST 2026

Dear Parents,

Summer is coming to an end, and school time is here! This summer was great, and we enjoyed the water play, the fun outside, and so much more! We can't wait to be spending this last month with a bit of outdoor fun as we soak up the sun before the end of summer!

As the school year approaches, we will be jumping back into our school curriculum! This starts with WHO they are (individually and as a family) and WHAT they like. We will also continue our colors, shapes, and numbers! Every month we work together on setting classroom and individualized goals for all our kids, including toilet learning, language skills, and classroom rules!

Our last day of water play will be August 11th!!! After our last day of water play, we ask all parents to please take their child's water play clothes and things home. We are also asking each parent to please check their child's grams and cubby each night

Don't forget on the 1st of EACH MONTH, we need a \$2 donation for the snacks please. Some parents like the option of paying for several months at once if it makes things easier.

Reminders:

- Change of clothes, diapers, and wipes,
- Snack money-\$2.00

Thank you,

Ms. Haylie

Ms. Carsyn

Ms. Abby
