

♥ Happy Valentines Day ♥

3'S NEWSLETTER FEBRUARY 2026

Parents,

This month we will be learning about the letters R,S, and T. We will spend the last week learning about modes of transportation! Show & Tell is on Friday's. The weeks we have a letter, please send in something that starts with that weeks letter. Theme weeks send in something to go with our theme.

Our Valentine's Day party will be Friday, February 13th at 9:30 am. Please send in valentines with the 'to' section blank, as they pass these out themselves. You can choose to make a box, or we will be making a Valentine bag in class. Parents are welcome to attend if you would like!

We do try to go outside when the weather permits so be sure they have a coat and hat each day as well!

Reminders:
