

## THREE-YEAR-OLD NEWSLETTER

MAY 2026

Dear Parents,

As many of you may already know and for those that do not, Ms. Bria will not be returning as a teacher. If you should have any questions about this decision, please direct them to Mrs. Teresa or Mrs. Erica. I will be the main teacher in our classroom for the time being. If you need to contact me for any reason, please feel free to reach out on (573) 259-4146.

This month we will be working on some special crafts as well as reviewing our alphabet letters, which we finished covering last month. With summer fast approaching we will also be learning about different types of bugs and insects, especially what is safe to touch and what is best left alone.

If you have plans to change your child's enrollment status for summer, please let Teresa know as soon as possible.

**Preschool Graduation is Thursday, May 21 @ 6:30pm**

**Muffins with Mom is Thursday, May 7 from 7 a.m. until 8:30 a.m.**

Supplies needed:

- Summer Clothes for cubbies

Thank you!
