

## THREE'S NEWSLETTER

JUNE 2026

Parents,

We are so excited it is Summer! We are also excited to introduce Ms. Jillian as our new teacher. This month we are going to start working on recognition of the letters in our name and how to spell our names. We will be celebrating Father's Day, learning about Summer Safety and a little about the Ocean.

This month we will also begin water play (Wednesdays). Please make sure to send a bathing suit, towel, and water shoes to leave in their cubbies for the summer so they are available for our water play days! We are also asking that parents send a water bottle to leave here for the summer so that we can use them outside to stay hydrated as the temps warm up.

*Donuts with Dad will be Monday, June 22 from 7-8:15. Please join us if you can!*

If your child needs any additional items such as sunscreen or bug spray a note will be sent home in their cubby or one of us will let you know.

### Reminders:

- \$2.50 for Snack money is due at the beginning of the month
- Water Play suit, towel and shoes
- **Donuts with Dad June 22**
- Spare summer clothes in case of any accidents
- Water Bottle

Thank You!
