

January

Hello parents & Happy New Year! We hope everyone enjoyed the holidays & got the much-needed holiday time. It's been a great year & we've loved spending it with your babies.

As usual, this time of year has brought on flu, RSV, etc. season. We recommend reviewing the school's sickness policy! We keep a close eye on symptoms, however, if you believe your child is showing signs of sickness, we ask that you monitor closely! Keeping our babies healthy is a team effort & not an easy task.

We do our absolute best to keep up on asking for supplies. That means extra diapers, wipes, clothing, & formula/breastmilk. Make sure to check your child's gram daily to ensure they have what they need. With the unpredictable weather, sending your child with extra clothing is never a bad idea!

The classroom's teachers always try to keep in contact with parents. However, things do get busy! If your child isn't attending for the day, a text is always appreciated. This helps us keep up with scheduling & planning for the school day! Never hesitate to message a teacher if you have questions about your child's day, what they ate, how they slept, etc. Communication ensures we all stay in the loop.

Thank you!

Ms Meghan
