

## INFANT NEWSLETTER FEBRUARY 2026

Dear Parents, Happy February! This month we're welcoming Baby Parker into our classroom! We're so excited for a new little one to join us.

**This is a reminder that All Aboard will be closed on Monday, February 16th for our teacher's accreditation training. This is a great opportunity for us to refresh our practices to provide the best quality of care for you & your children.**

With the cold weather & snowy conditions, we ask that your child be dressed appropriately for the day. This helps ensure the children's comfort, which affects their moods & quality of sleep.

We also have Dr Suess week coming up! This happens in the week of February 28th to March 4th. We'll have some themed days based off several Dr Suess books, as well as a couple fun activities for the babies to enjoy.

As always, never hesitate to contact your child's teachers! We are always willing to discuss your child's day, send pictures, or answer questions!
