Hello parents and Happy June!

This month, we're excited to welcome Josey to our classroom! She's such a sweet girl and has fit right in with the rest of our class. As many of you have noticed, Ms Jewel is back for the summer full-time! She's working our mid shift so you may see her at drop off or pickup!

Additionally, we'd like to invite our dads to our Father's Day event, Donuts with Dad. We'll have treats to enjoy with your children on June 22nd in Big Room from 7-8:15.

Just a friendly reminder to review our sick policy from time to time to prevent the spread of sicknesses among our babies. We do our best to keep our babies safe and healthy! As always, we ask that your child be dressed appropriately for the weather to ensure they're comfortable throughout our day.

We value communication in the classroom. If questions or concerns arise, feel free to contact us at any time!
