

INFANT NEWSLETTER

JULY 2026

Happy July, Families!

Summer is here, and we are looking forward to another month of learning, cuddles, and fun! As the weather has warmed up quickly, we want to keep all the infants as comfortable as possible.

A Friendly Reminder:

Please dress your baby in lightweight, weather-appropriate clothing. We recommend:

- Short sleeves or light, breathable outfits
- An extra change of summer clothes in your child's bin

With the warmer temperatures, little ones can get hot quickly, so comfortable clothing helps keep them happy while they play.

Health & Wellness Reminder:

We have been on a great streak with very little illness in our classroom, and we'd love to keep it that way! Please continue to be on the lookout for any signs or symptoms of sickness before bringing your child to daycare. If your little one has a fever, vomiting, diarrhea, a persistent cough, an unusual rash, or is showing other signs of illness, please follow our center's sick policy and keep them home until they are well enough to return. Working together helps us maintain a healthy environment where everyone can learn, play, and grow.

This month, we'll continue working on tummy time, sensory exploration, music and movement, story time, and building strong relationships through nurturing care and play.

As always if you have any comments, questions, or concerns you can reach out to any of the teachers, or Ms.Teresa. Thank you for trusting us with your little ones each day. We hope you and your family have a safe, fun, and happy July!
