

**INFANT NEWSLETTER  
AUGUST 2026**

Hello parents and welcome to a new month!

This month, we're welcoming Anthony to our class! We're so excited to have him join us.

As some of you may know, Miss Jewel's time with us has come to an end. We'll miss having her around but we're so excited for her as she enters her second year of teaching! For the time being, Miss Haylie will be helping in the morning.

With the warm weather, please ensure that your child's extra clothes are weather appropriate and correct sizing. Our back up school clothes are very limited. Also, having your baby fed and changed prior to drop off helps ensure their day starts off well!

As always, never hesitate to reach out to us with questions or concerns! We appreciate communication.

Thank you and enjoy August!

Miss Meghan
