

INFANT NEWSLETTER SEPTEMBER 2026

Hello parents and welcome to a new month!

This month, we'll be welcoming Haithem to our classroom. We're so excited to have him join us. Just a reminder, All Aboard will be closed Monday, September 7th for Labor Day. We hope everyone enjoys the long weekend!

We've recently learned that baby Noah has food allergies. We have an EpiPen in the classroom. However, we ask that if your child is consuming peanut butter before they come in for the day, that their hands be washed thoroughly before entering the classroom. We want to do everything we can to keep him safe!

As always, please review our sick policy as needed. Flu and RSV seasons are approaching quickly. We hope to keep our babies as healthy as possible.

We appreciate communication! If you have questions or concerns about your child, feel free to message us at any time!
