

INFANT NEWSLETTER OCTOBER 2026

Hello parents and welcome to a new month!

We're so excited to be entering October and getting to enjoy some cooler weather! With the weather change comes sick season. Please be sure to review our sickness policy. We do our best to keep our babies safe and healthy!

With Halloween coming up, we hope to provide fun themed activities and art projects for the class to enjoy. Our pajama day will be Friday, October 30th, the day before Halloween weekend! Feel free to send your child in their comfy clothes!

With the weather changing, ask your child's teacher if they have appropriate clothing in their back up clothing. We only have so many extra school outfits!

As always, we appreciate communication! Feel free to message your child's teacher with questions or concerns.

Thank you!
