

SCHOOL-AGE NEWSLETTER

SEPTEMBER 2026

Now that school has started back, we are going back to the school routine. Mornings we will feed the kids breakfast then load them on the bus. I apologize for any confusion about this, but we have 2 different buses in the morning. A few of the kids will be getting on bus 20 and the rest will be getting on bus 7. Bus 20 will be here about 7:15 and bus 7 will be here about 7:25. These times are subject to change as the drivers and other kids get the routine down. After school they will get here about 3:55. We will come in wash up and have snack. After we have a snack, we will do homework and centers. Once we are done with homework, weather permitting, we will go outside for the evening. If your child needs extra help with homework, send it in with them on Mondays and we will go over it with them.

Reminder that AALC will be closed on Monday September 7th in observance of Labor Day.

Dates to Remember

9-7 Labor Day AALC Closed

Thank you,

Ms. Erica

Ms. Alecia
