

SCHOOL-AGE NEWSLETTER

JULY 2026

Happy Independence Day! Just a reminder we will be closed on Friday July 3rd in observance of Independence Day.

With the kids all being here every day, we will be doing a morning snack around 10. We ask that you please donate \$2 per child for the time they are all off school. Ms. Erica will take this money and go shopping to buy approved snack. We try to buy bulk stuff that all the kids eat that also follow our eat smart program. This is why we ask that you donate money instead of bringing snacks in.

We will go to the pool on Tuesdays and Thursdays from 12-3. It has been about 12:30 when we get there and we are leaving around 2:30-3. If you must pick your child up at the pool let me know before 12 and we will have them bring all of their stuff with us. Information and permission slips will be sent out also.

Fair week is July 14-18. The parade will be held on Tuesday the 15th. Line up starts around 4:30 pm. Please make sure you know other routes to get here in case you get stuck in traffic. It will also be a little crazy getting here when everyone is trying to get to the fair so be patient and give yourself time. The kids will try to take a field trip to come see all the animals one day. This will depend on their behavior with Ms. Alecia and Ms. Brittany while Ms. Erica is gone on vacation if they get to go.
