

SCHOOL- AGE NEWSLETTER

AUGUST 2026

We are ready to go back to school! There are some important dates at the bottom that you need to know. As we transition back to our school schedule please be patient with everyone. The kids, teachers, bus drivers, and everyone else going back to this schedule, will have some big emotions the first few weeks.

Once the kids start to get homework we will work on it with them after snack. They will be getting a snack at 4 in the afternoon when they get here from school.

Since we are going back to having the kids all day on Mondays we will ask for a \$1 per kid donation for snacks. At this time we are good on snacks and do not need the donation for August. If we have any pool money left after we are done going to the pool that will go toward snack.

Important Dates

8-12	Back to School Festival
8-20	Open House
8-25	School Starts
9-7	Labor Day AALC Closed

Thank you,

Ms. Erica

Ms. Alecia

Ms. Brittany
