

SCHOOL-AGE NEWSLETTER

OCTOBER 2026

We have a lot of big changes coming to our room. Ms. Alecia is leaving us, her last day will be October 9th. Ms. Erica will be having surgery and will be out for 4-6 weeks. We will have Ms. Teresa, and we are working on finding another teacher to put in there. Ms. Brittany will still be here on Mondays. We will continue to try and work on homework but please bear with us during this time if we do not get it all done.

We will also try to go outside as much as the weather permits.

Please make sure your child has a jacket. If you would like to leave one here, please put their name somewhere on it, so we know where to put it if it gets left behind.

Since the kids usually have Halloween parties at school, we will not have a party.

We are also coming into sick season. This means lots of sniffles and coughs. If your child is not feeling well, please make other arrangements for them. This will ensure that the teachers and other students hopefully not get sick. We are also asking for Kleenex donations. We are not picky on the brand whatever will catch the runny noses.

DATES TO REMEMBER:

- 10/4-10/10 Fire Safety Week
- 10/28 Trunk or Treat at School 5-7:30 pm
- 10/31 Halloween

Thank you,

Ms. Erica

Ms. Brittany
