

## **SCHOOL- AGE NEWSLETTER JANUARY 2025**

We hope you all had a fun and safe New Year. We have had a blast this Christmas break especially with the weather. We are ready to get into our normal school routine. Don't forget the kids go back to school on Tuesday January 6<sup>th</sup>. As they go back to school, please be mindful of others and all of the sickness that will more than likely go around. I know it is hard but if your child is sick, please keep them home to rest. This will help stop the spread of the germs.

As we start to enter the unstable weather patterns just remember we are always here for you. If we must close, we will get a hold of you personally either by message or call. If we do close early due to the weather, we will give you time to get here. If you are going to be late picking up due to weather or traffic, please call or text to let us know. If your child is not on the bus after school, please let us know also. I will call the school if you have not let me know and they are not on the bus.
